

**C200 Annual Luminary Awards include Pamela Chambers O'Rourke, Entrepreneurial Champion
Donations will benefit the C200/Pamela Chambers O'Rourke Scholars**

For the highest-ranking women in business leadership who believe in the value of shared success, C200 is a powerful, intimate community of peers who provide advice, strength and inspiration with the purpose of advancing women's leadership in business. Members are women executives who have founded and scaled their companies (entrepreneurial members) or are senior corporate executives who run large for-profit businesses or divisions with P&L responsibility (corporate members). Additionally, our members must be recognized leaders within their industries and communities AND be committed to advancing women in business.

Collectively C200 members employ more than 2.5 million people, generate 1.4 trillion in annual revenues, represent more than 100 industries and sit on 68 Fortune 500 corporate boards.

Each year, C200 presents the Luminary Awards to honor the success of exceptional women entrepreneurs and corporate leaders. The benefits accrue to the C200 Foundation. A primary mission of the Foundation is to advance women early in their careers by awarding scholarships to high potential women pursuing education toward a business career.

In 2017, we are delighted to recognize and celebrate the accomplishments of:

- Entrepreneurial Champion Luminary: **Pamela Chambers O'Rourke**, President and CEO, ICON Information Consultants, LP
- Corporate Innovator Luminary: **Ilene S. Gordon**, Chairman, President and Chief Executive Officer, Ingredion Incorporated
- STEM Innovator Luminary: **Shellye Archambeau**, Chief Executive Officer, MetricStream
- Skills to Succeed Luminary: **Maureen E. Casey**, Chief Operating Officer, The Institute for Veterans and Military Families (IVMF) at Syracuse University

In recognition of the significant impact Pamela Chambers O'Rourke has had throughout her career as an Entrepreneur, the C200 Foundation is aiming to award 3 \$10,000 Scholar Awards to women graduate business students at the University of Houston in Pamela's name.

We hope you will join us in honoring Pamela's extraordinary achievements with a gift to the C200 Foundation toward the C200/Pamela Chambers O'Rourke Scholar Awards.
